#### About the venues.....

**BN9 Studio** is at Marine Workshops, BN9 OER. The very first Newhaven Open Call was held in this building, as the former UTC, Harbourside in 2018.

**Newhaven Art Space** is a not for profit, artist led High Street gallery and project space set up in 2022 by Newhaven Art Projects. We deliver a programme of contemporary art exhibitions and an art education programme for communities disadvantaged through circumstance.
