

NEWHAVEN OPEN CALL 2024

BN9 Studio, Marine Workshops

23 August – 8 September

We are pleased to present the 2024 Newhaven Open Call, this builds on previous Open Calls and the programmes of work that we do with artists and local communities throughout the year.

We are especially happy to be in the new BN9 Studio for this exhibition, returning to the building which saw the very first Open Call in 2018.

At the heart of this exhibition we seek to develop an ethos of inclusion, an Open Call for everybody being free to enter and unjudged, a huge celebration of everyone's creativity through contemporary art.

Boundaries between 'professional' 'amateur' 'artist' and 'non-artist' have been blurred by our impulse to overturn the imposed forms of classification and distinction as we exhibit varied works side by side inviting conversations between them.

We seek to increase opportunity for everyone to have greater access to Art and education, aiming to both promote the visual arts and use art to bring people together in the town where we have worked ourselves as artists for over a decade. We hope that you enjoy this exhibition in which over 200 people have taken part.

We would like to thank Arts Council England for support using public funding through the National Lottery, Newhaven Enterprise Zone and Lewes District Council.

Helen Turner and Nick Marsh
Newhaven Art Projects
